Bresser Consulting - The Coaching Programme Specialists

We help companies design, implement and optimize tailor-made coaching programmes that exactly meet their organisation-specific needs and generate maximum business success.

Frank Bresser was the first to develop the systematic and strategic design, implementation and improvement of coaching programmes in companies as a distinct discipline. He is the author of the book "The global business guide for the successful use of coaching in organisations" (Sep 2010) and recently received for his work the **Global HR Excellence Award 2011** at the World HRD Congress 2011.
